

Hedgerows Mailboxes

ALL Mailboxes should be maintained regularly. Posts should be painted regularly with black paint (flags, if applicable, should be red). Numbers should be kept in new or like new condition.

There are two mailbox styles in Hedgerows.

- Imperial Post & Standard Box
- Williamsburg Model 311

IF YOU ARE REPLACING YOUR MAILBOX AND POST, YOU MUST REPLACE WITH THE WILLIAMSBURG MODEL 311.

WILLIAMSBURG MODEL 311

Williamsburg Model 311

Addresses of Distinction can assist homeowners with purchasing the Williamsburg Model 311 Mailbox and Post and any needed replacement parts.

Numbers: This model requires 2" brass numbers on both sides of the number plate. These numbers tarnish. They should be kept shiny by polishing or replacing.

IMPERIAL POST & STANDARD BOX

Imperial Post & Standard Box

Homeowners that currently have the Imperial Post & Standard Box, must maintain the post, mailbox, and numbers. If the post needs to be replaced, homeowners must replace with the Williamsburg Model 311

The Mailbox must be a medium sized standard black, metal mailbox with pull-tab style handle.

Dimensions: 19" L x 6.5" W x 9"H

Numbers: This model requires 2" gold numbers on black background on the front of the mailbox only. Numbers are not permitted on the sides or top of the box.

The box and numbers for this style can be found in big box hardware stores.
